<sup>1</sup> These standards require, *inter alia*, that the undersigned conduct a "preliminary peek" at the merits of the motion to dismiss, which is not intended to prejudice the outcome of that motion and puts the undersigned in an awkward position because the assigned district judge who will decide the motion to dismiss may have a different view of its merits. *See, e.g., id.* at 583 n.4. As a result, the undersigned will not provide discussion of the merits of the pending motion to dismiss in this instance. Nonetheless, the undersigned has carefully reviewed the arguments presented in the motion to dismiss and subsequent briefing, and has concluded that it is appropriate to stay discovery on the extra-contractual issues.

2 motion to dismiss does not result in dismissal of the extra-contractual claims, the parties shall file  
3 an amended proposed discovery plan within 14 days of the resolution of that motion.

4 IT IS SO ORDERED.
